TV Commercials Get Results

More than half of American consumers view online video content at least once a week. In May 2008 alone, Americans viewed 12 billion online videos.

For companies savvy enough to use video on the web, it can mean increased website traffic, effective branding and ultimately more sales.

But perhaps the most important thing video brings to your website is trust! And a trusting consumer is more likely to patronize your business.

TV Commercials (\$3,000 flat fee)

Reach potential customers over television and the Internet

- Concept design, development and scriptwriting on request
- Up to four hours of on-location camera time with professional photographer, producer and broadcast quality camera, lighting and audio
- 30 seconds of finished edited video with broadcast quality graphics and titles
- Professional voiceover talent (off camera narration)
- Video is streamed on a targeted landing page or on your homepage when applicable
- Video is submitted to YouTube and other video sharing sites.
